About ACS CAN

The American Cancer Society Cancer Action Network (ACS CAN) is making cancer a top priority for public officials and candidates at the federal, state and local levels. ACS CAN empowers advocates across the country to make their voices heard and influence evidence-based public policy change as well as legislative and regulatory solutions that will reduce the cancer burden. As the American Cancer Society's nonprofit, nonpartisan advocacy affiliate, ACS CAN is critical to the fight for a world without cancer. For more information, visit www.fightcancer.org.

About AdvaMedDx

AdvaMedDx member companies produce innovative, safe and effective in vitro diagnostic tests that facilitate evidence-based medicine, improve quality of patient care, promote wellness, enable early detection of disease and can reduce overall health care costs. Functioning as an association within AdvaMed, AdvaMedDx is dedicated to the issues facing in vitro diagnostic companies in the United States and abroad.
