## What Can *Do For You?*

Be part of the largest grassroots cancer movement and help shape laws that impact cancer patients!  
For example:

**Volunteer  
Training**

**Support National  
Institutes of  
Health and  
National Cancer  
Institute Funding**

**Help urge our  
lawmakers to  
make fighting  
cancer a top  
priority**

Cancer impacts all of us – it doesn't matter which political party. Fighting cancer isn't about partisan politics – it is about ensuring we are doing everything we CAN to find cures. Together, we can make a difference. Join ACS CAN TODAY by visiting [www.acscan.org/relaydonate!](http://www.acscan.org/relaydonate!)
