

This September, the American Cancer Society Cancer Action Network (ACS CAN) will celebrate the 12th year of Lights of Hope. Lights of Hope is ACS CAN's signature fundraising event, dedicated to honoring those who have been touched by cancer and remembering those lost to the disease. Funds raised through Lights of Hope enable ACS CAN to continue its mission to make fighting cancer a priority with lawmakers in your community, at your state legislature and in Congress. We look forward to seeing over 55,000 Lights of Hope displayed at local events all across America, including in our nation's capital.

Support ACS CAN by setting up a CANraiser page and help us send a visible reminder to Congress that they need to do more to help fight this disease. **Sign up today to start your fundraising for Lights of Hope at [www.FightCancer.org/Hope](http://www.FightCancer.org/Hope)**

### **Easy Steps To Track Donations & Bags**

- 1. SET UP:** Set-up your CANraiser fundraising page at [www.fightcancer.org/hope](http://www.fightcancer.org/hope). While on your personal page, take a moment to personalize the home page, adding in your story and a personal photo. Don't forget to change the URL to make it easier for family and friends to donate to your page.
- 2. ORDER:** Place orders for Lights of Hope bags through your ACS CAN staff partner. All Lights of Hope fundraisers should be prepared to decorate all their Lights of Hope bags for their own Lights of Hope displays. Electronic material, instructions, sponsorship packets and more are available at [www.fightcancer.org/LOHresources](http://www.fightcancer.org/LOHresources).
- 3. COLLECT:** Collect donations for Lights of Hope bags for a *minimum* donation of \$10 per bag. You have two options for collecting donations: by inviting friends and family to visit your CANraiser page to make their donations online or accepting the donation via cash/check (offline donation).
- 4. TRACK:** ALL donations and bags must be entered onto your personal CANraiser page so we can track our nationwide progress. All online donations to your personal page will automatically be entered. All offline donations need to be entered by you in the "offline donations" section. Ensure all of your donations are logged onto your CANraiser before the INCENTIVE deadline of **September 7, 2022**.
- 5. SUBMIT:** Turn in all donations to your staff partner for processing. Donations must be turned in by September 7, 2022 for all Lights of Hope related recognition. CANraiser pages will close September 30, 2022.

*Per legal requirements, Relay For Life Luminaria bags may not be used for Lights of Hope.*

### Lights of Hope Across America

This fall, each volunteer with a Lights of Hope CANRaider page will have the opportunity to display the Lights of Hope you collect in your own backyard, your balcony, a neighborhood park, your town square, or courtyard. Be creative and help us build Lights of Hope Across America in 2022.

By bringing this event to your community, we have the potential to involve neighbors, family members, and others who have not had the chance to be involved in the past. This is an opportunity to share the power of Lights of Hope beyond those who traditionally attended Leadership Summit and Lobby Day. This also opens the possibility of more state-based sponsors and local media coverage.

For staff and volunteers traveling to Washington D.C. for Leadership Summit and Lobby Day in September 2022, a modified in person activity will be hosted on September 13, 2022. This activity and display will complement the hundreds of local Lights of Hope displays.

### Photos

Please submit your Lights of Hope photos [here](#) to be included in our 2022 event photo album and share your photos on public social media pages using #LightsofHope. The Lights of Hope photo deadline to be included in our video compilation is September 7, 2022. Photos can be submitted until September 30, 2022 to be included in the 2022 album.
