What is ACS CAN?

We believe everyone should have a fair and just opportunity to prevent, detect, treat, and survive cancer. Since 2001, as the American Cancer Society's nonprofit, nonpartisan advocacy affiliate, ACS CAN has successfully advocated for billions of dollars in cancer research funding, expanded access to quality affordable health care, and advanced proven tobacco control measures. We stand with our volunteers, working to change public policy to end cancer as we know it for everyone.

What ACS CAN Does

What ACS CAN Works on

			
Access to Care	Cancer Research, Preventative & Early Detection	Quality of Life	Tobacco Control
Allowing patients to access the treatment they need to survive cancer.	Supporting lifesaving research by increasing funding for the National Cancer Institute and ensuring access to prevention and early detection screenings.	Improving the quality of life for cancer patients and survivors.	Passing laws at the local state & federal levels that prevent children from smoking, help adults quit and ensure the government uses its authority to regulate tobacco industry practices.

The Event

In September 2024, the American Cancer Society Cancer Action Network (ACS CAN) will host its 14th annual Lights of Hope event.

Each Light of Hope honors loved ones who have survived cancer and remembers those we've lost. The displays in communities from coast to coast and in our nation's capital will send a clear and impactful message to lawmakers that fighting cancer must be a national priority – from increasing funding for lifesaving cancer research to ensuring that all Americans in all communities have access to quality, affordable cancer care.

A look back at 2023:

- We displayed over 70,000 Lights of Hope at hundreds of at-home displays
- We raised over \$868,800
- 2,200 public posts on Twitter and Instagram for our social media wall

This event is very powerful and meaningful to all. Your support will help us light hope across America. We invite you to support the Lights of Hope event in the following ways:
