## **CANRaiser**

#### What is CANRaiser?

CANRaiser is the online tool used by volunteers to start personal fundraisers to help us raise the funds we need to support our mission.

#### How do I use CANRaiser?

There are four different options on CANRaiser to choose from.

Choosing *special occasion* is a way for you ask for donations for a celebration like a birthday or wedding instead of receiving gifts.

The *honor/memorial* option allows you to raise funds recognizing a loved one or honoring someone special.

*Create your own event* is a way for you to host your own personal fundraiser. There are many examples and tools provided to help you get started.

Lights of Hope is an ACS CAN event that honors loved ones who have fought cancer and survived and remembers those who lost the battle with lighted bags that will line the U.S. Capitol Reflecting Pool in Washington, D.C.
