

Use a QR Code for your
Lights of Hope page!

Lights  **Of Hope**
ACROSS AMERICA
BRINGING HOPE HOME

What is a QR Code?

A QR Code is a two-dimensional barcode. QR Codes may be used to display text to the user, to open a URL.

What would I use a QR Code for?

You can use a QR Code to direct people right to your personal Lights of Hope page.

How do I make a QR Code?

Click or type in the link below. Under the "Your URL" box, paste the link to your personal Lights of Hope page. Then click "Generate QR Code."

What do I do after I make a QR Code?

After you generate the QR Code you can download the code and use it in person gatherings.

How do you scan a QR Code?

1. Open the Camera app on your phone.
2. Hold your phone so that the QR code appears in view.
3. Tap the notification to open the link associated with the QR code.

Scan the QR Code above to practice
