

Join ACS CAN Together we can Advance Research, Remove Barriers to Care and Achieve Health Equity

Imagine more targeted treatments for cancer patients who need it. Or diagnostics that find cancer at the earliest stage possible. More voices speaking up for cancer patients for federal research funding and proven prevention strategies. To address the COVID19 pandemic we need to accelerate cures, improve access to care and reduce health disparities. Cancer patients need this too – during and after the pandemic.

Imagine more people surviving cancer, getting the best care possible from diagnosis to survivorship – no matter where they live or what their circumstances.

You can help make that happen. And you can ensure that the phenomenal progress we've made at fighting cancer not only does not stop, but accelerates and benefits everyone. With your help, our fight will not stop.

Investing in the American Cancer Society Cancer Action Network (ACS CAN) saves lives. Your leadership gift through a monetary donation, corporate membership or event sponsorship is needed now, more than ever, to ensure that our impact does not stop because lives are at stake. Please contact Shalini.Vallabhan@cancer.org for more information.

Leadership Gifts begin at \$500 and go up to \$20,000.
