Join Ann as an Advocate for ACS CAN! Watch later Share

ACS CAN and Relay For Life are teaming up together to fight cancer. With great volunteers like Ann, we are asking Relayers across the country to lend their voice and their stories to ACS CAN's efforts to tell elected officials what they can do to help in the fight against cancer.

Many important decisions about cancer are made not just in the doctor's office, but also in your state legislature, in Congress and the White House. The federal government, for example, is the largest funder
