MIKALA:

Welcome everyone to the call.

REMIND Melissa to record the call and MUTE lines if she doesn't. 😊

Remind participants they can use the chat or they can unmute on the screen. If on the phone it's *6 to unmute their line.

Review the agenda

We will be splitting into state teams tonight as promised. Because this will be the first time, we're asking you to please be patient with the technology. It will be MUCH smoother if you have called in via your computer or tablet. For those of you that are on the phone, you will have to hang up when we split, and call in to the room via a different number. Melissa will provide those numbers right before we split, so here's your warning to get something to write with and on.

Now I'm going to turn it over to Patti to share some updates and action items!

Updates & Action

- Ambassador Action Center
- October Meeting
- Candidate Meeting Reminder
- Real Men Wear Pink

PATTI:

Ambassador Action Center:

- A reminder that all actions and points reset on September 1st, so don't be surprised if you log in and all your points from last year are gone. 😊
- Shout out to Emily, Dana, Kate, Patti, & Tim here in Massachusetts for logging actions in the Ambassador Action Center since our August call.
- A shout out to Jeff and Bethany in Maine for logging actions since our August call. Double shout out to Maine CD2 for being 10th in the country on actions logged, and Bethany Zell for being 9th in the country for actions logged.
- Don't have access to the Ambassador Action Center? Email Melissa (melissa.stacy@cancer.org) and she'll hook you up!

October Meeting Date and Topic: Our next volunteer meeting will be October 28 at 7pm. We'll be sharing updates then splitting into teams to talk about state specific outreach to new and returning lawmakers post election.

Candidate Meeting Reminders: In September we talked about ways you can do

research on your elected official or candidates in your area, and asked you to attend Town Halls or set up virtual meetings with candidates to share with them the work of ACS CAN and find out where they stand on priority issues. These two action items are great things that all volunteers can continue between now and November 3!

ACS Real Men Wear Pink: ACS is in the middle of fundraising for the Making Strides Against Breast Cancer event, and have an opportunity you might be interested in. We are looking for volunteers (men or youth of any gender) to commit to raising \$2,500 for ACS, promote the ACS mission on social media, and wearing pink every day in October. If you know someone who might be interested in this, please let Melissa know.

The story behind the pictures: Massachusetts and Maine volunteers virtually traveled to Washington DC last Tuesday to meet with our federal delegation. Pictured above is the Maine team and the Massachusetts team ready for their day on the hill. We'll be sharing updates and take aways from the time in our State breakouts.

Now I'm going to turn it over to Alice to share a bit about the Reigniting Research event and a few areas where we need your help!
