- Hello! My name is _____. I am a volunteer with the American Cancer Society Cancer Action Network (ACS CAN).
- I am from [city/town name], Arizona and I am calling to thank Senator/Representative (or their staff) _____ for meeting with constituents during our Cancer Action Day on Thursday, February 19th.
- Advocates came to the Capitol to discuss issues that affect cancer patients, survivors, and their families and we hope that Senator/Representative _____ will make these issues a priority at the Arizona Legislature.
- With this week being Crossover Week, we ask that our legislators support access to patient-centered care and comprehensive tobacco regulation by voting **YES** on **SB1165 (Breast Cancer Screening Continuum)** and **HB2617 (PSA for HIM)** and by voting **NO** on **HB4001 Alternative Nicotine Products**.
- Thank you for your time and consideration!
