

**THANK YOU**

**MARCIA!!!!**

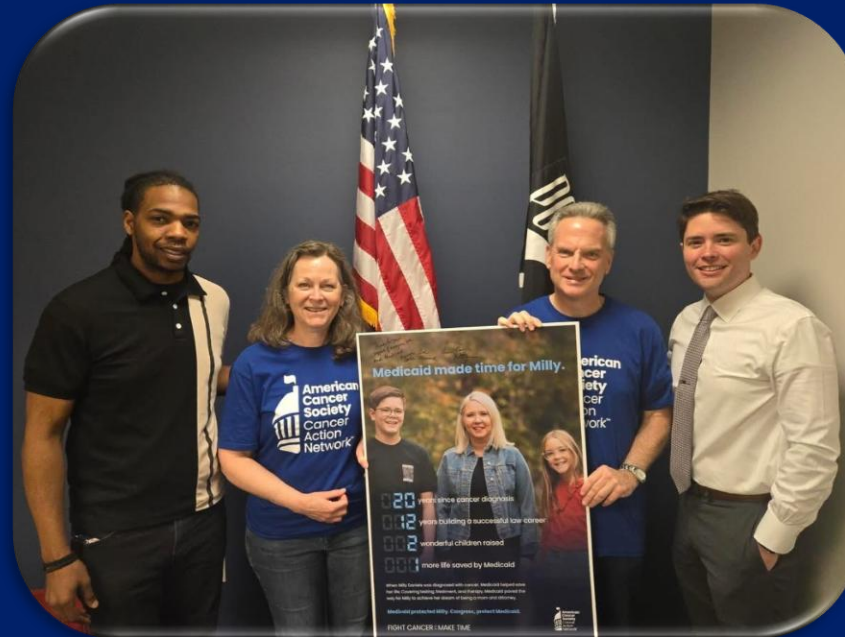

# After an amazing 3 years as our NY SLA, we want to wish you the best and thank you for your incredible service!

**Here is what your  
fellow volunteers  
have to say!**

“Marcia is the most dedicated advocate for ACS CAN whom I have ever met. She is incredibly dedicated to our cause and is persistent, diplomatic, indefatigable and numerous other adjectives I don't have space to list in pursuing our agenda. I can't think of a better advocate and human being with whom to volunteer. Thank you, Marcia, for all your work as state lead. And remember, we won't let you go anywhere!” – John Manna, Jr.

“Marcia’s leadership during the past 3 years is a testament to her commitment to fulfilling the ACS CAN mission. Marcia’s legacy will be her leadership role in creating the ACS CAN NY **Rural Caucus**. Her personal story and her desire to always listen and learn will help our volunteers understand how we can truly make a difference in the lives of those who are underserved in rural communities across New York State...”where they live.” – Karen Connor

“Marcia, As much as we are all going to miss you as SLA, congratulations on your much deserved “semi” retirement. I hope you know what an impact you have had on me to commit to being an ACT Lead. The support, talks, laughs, and all the hugs have meant so much. Thank you for everything you have done in the fight against cancer. You are never getting rid of me.” Love you, Stacey

“Marcia, thank you for being such an awesome SLA! You always make time for a question, a vent session or just to give support. Your leadership has helped us all to grow in our roles as ACT Leads and made me a better leader for my team. You always made me feel appreciated and heard. But thank you most of all for being my friend. I love you! ❤️” Mary Catherine Johnson

We are profoundly grateful for the time, energy, and heart she has invested—her dedication has strengthened our work and made us better.” – Mark Mannix

“Marcia, Thank you for the countless hours that you spent mentoring and training me. Your patience, knowledge, and guidance have meant more to me than I can express.” – Lexy Mealing

“One thing I noticed from the very beginning of getting to know Marcia was that her low key, quiet demeanor hides a fierce, dedicated, and passionate woman, totally focused on how to best do her job as both a volunteer and advocate for herself as well as others! Marcia sought to professionalize and expand the scope of an ACS CAN advocacy volunteer thereby increasing the impact we have in our individual and collective work! Thank you, Marcia for your tireless dedication, insight, and leadership!!! You brought New York ACS CAN to new heights!!! ❤️ – Pat Bishop-Kelly

# Here is what your staff partners have to say!

“Every volunteer brings an invaluable perspective to this work, but few are as articulate and strategic in their advocacy as Marcia Earle. I learn something new from her every time we connect, and I couldn’t enjoy her—or working alongside her—more.” – Casey O’Neil, Senior Regional Media Advocacy Manager

“I appreciate the thoughtfulness and consistent organization she brings to our bi-weekly meetings along with the infectious inspiration she shares while guiding our other leadership volunteers.”  
– Anthony Sandusky, NYC Grassroots Manager

“Marcia Earle is a true volunteer leader and partner. She is thoughtful, strategic, and proactive in helping to forward the mission of ACS CAN in New York while supporting and leveling up her fellow volunteers. It’s an honor to work alongside such a kind and devoted woman.” – Rachel Mayo, Director Grassroots Organizing

“Marcia has been the ideal partner for me to work with as SLA. Her self-starter attitude has extended our reach across New York State, helping build our grassroots network and our influence with policymakers. Marcia is never afraid to step in front of a microphone, lead a meeting with a lawmaker, represent us in a coalition, train a new volunteer, and help with whatever the organization needs. She has been an absolute pleasure to work with, and we are lucky to have her on our team.” – Michael Davoli, Senior Government Relations Director, NY

Marcia is meticulous, organized, engaging, smart, friendly, encouraging, and a cancer survivor herself. We cannot say enough good things to explain the depth and breadth of what Marcia has brought to the role of SLA in New York.

This is why in 2025, Becca submitted Marcia's name to be considered for SLA of the Year at our National Advocacy Awards dinner .

Becca will share the write up of this nomination with Marcia after the call.

# We are so lucky to have you here in New York!

# Thank You!
