

Maine State House: ADA Parking

ADA Parking:

Disability Parking spaces are located between the State House and the Cross Office Building and on the Capitol Street side of the west entrance.

The public entrance to the State House is on the back, facing the Cross Office Building.

The State House may also be accessed through the connecting tunnel from inside the Cross Office Building. There are elevators at all levels.

Pick up at step # 3 in the Visitor Parking Guide on the next page.

If closer parking is not available, ADA parking is also available in the free parking garage.

3. Follow the sidewalks toward the State House public entrance.

- Once you enter, you will go through the security checkpoint.

For security checkpoint:

- No firearms or weapons are allowed.
- If you have a purse, keep your keys and phone in it.
- If you do not have a purse, security will provide a bowl to put these in.

4. Once through the checkpoint, our meeting room will be directly to your right!

- You'll see our smiling faces when you get there!
- Restrooms will be directly straight from the security checkpoint to the right and left.
