Virtual postcard writing party to help save lives from prostate cancer

Register today!
fightcancer.org/PSAPostcardParty
Wednesday, December 6th
at 7:30pm Eastern | 4:30pm Pacific

At this event, you'll hear more about a bill that would provide free prostate cancer screenings for those at high-risk for the disease. Together, we'll then write postcards to our U.S. Senators urging them to support this bill.
