

# Senator Rescues Children

**We would all love to see a headline like that.**

Now, Congress has a real opportunity to save lives. Higher cigarette taxes are proven to reduce smoking—a 94-cent increase per pack would save nearly 1 million lives and reduce health care spending by \$63 billion. Two kids try their first cigarette every minute of every day. Let's do something about it. Congress, you could be heroes.

**INCREASING  
TOBACCO TAX  
SAVES LIVES**  **SUPPORT  
S.826**
