

ALL IN TO PROTECT MEDICAID

5-Minute Challenge

The U.S. Senate could vote any day now on the bill that will kick millions off Medicaid and increase health care costs for everyone. This is **the biggest threat to affordable health care** in nearly a decade, and **we need to act before it's too late**.

This is our make-or-break moment, and we need every last one of us to give it everything we've got. **Every single message matters.**

Are you in? Complete these 3 easy actions in less than 5 minutes by clicking on the links below.

Step1:
EMAIL

Step 2:
CALL

Step 3:
POST

Even if you've already sent a message, made a phone call, or posted on social, we need you to do it again. Even if you're busy, we need 5 minutes of your day. Even if you think your voice won't make a difference, it will. **Now is the time.**

***BONUS – Drop by your Senator's office.** Work with your Grassroots Manager to print Medicaid fact sheets and a Protect Medicaid ad, write a personal note on why protecting Medicaid is important to you, and drop it off at your Senator's office. Take a photo of yourself at the office and post on social media. After you have taken this action let us know by filling out the [report back form](#).
