

# 2026 Tennessee CANCER ACTION DAY

---

# Welcome to Cancer Action Day

Dear Tennessee Advocates,

Thank you for your willingness to participate in our 2026 Cancer Action Day.

As a leading health advocacy organization, we work every day to encourage elected officials to make cancer a top priority. We support evidence-based solutions designed to eliminate major health problems. And together, we bring together ordinary people with extraordinary power to fight cancer with the training and tools they need to make their voices heard.

We want our Cancer Action Day to be an opportunity for all of our volunteers to come together, unite our voices, and ask our elected officials to actively support the fight against cancer. We hope you will find our event energizing, exciting, and personally rewarding.

Included in this packet and your folder are all the resources you will need to advocate successfully with your lawmakers. We truly appreciate your commitment to advocacy and look forward to the great accomplishments we'll achieve together.

Thank you for all you do to help us fight cancer.

Keep fighting!

***Let's get started!***

# Hook, Line, and Sinker

**The hook, line and sinker strategy will help ensure you cover key messages and conduct an effective and successful meeting with your lawmaker.**

## **Hook: Who You Are**

Tell them who you are. Remember, you are a voter, a survivor/caregiver/advocate and their constituent. Make sure everyone in the group introduces themselves.

Be careful. A little small talk is acceptable but stay on message and don't be drawn into storytelling off topic – you'll never know where the time went!

State why you are here by introducing the ask/s.

## **Line: Share your stories and statistics.**

Be informative, be thorough and be concise. Provide your lawmaker with personal stories. They'll appreciate real-life examples that put a human face on the issue. Discuss how the legislation will directly affect you, your friends and your family. Personal stories truly make an impact and achieve results.

## **Sinker: The Request**

Ask your legislator their position on the issue. Be polite, direct and specific. Wait for their response. It is important to get a clear answer to provide on your report back form.

Answer any questions to the best of your ability. If you don't know the answer, it's OK to say "that's a good question, I'm not positive on the answer, and I'll need to get back to you." Don't answer any questions you're not 100% sure you know the answer to – make sure to list them on your report back forms. This is an excellent opportunity for staff to follow-up with the lawmaker after our day!

Leave on a positive note. As you wrap up the conversation, repeat one last time what action you hope the lawmaker will support. Make sure your lawmaker and/or their staff member receives a copy of the leave-behind materials. Thank them for their time and offer to be an ongoing resource.

*Remember, we want to hear a yes or no answer.*

- If your elected official answers yes to this question that is great! Thank him/her for their support.
- If your member answers no, ask why and if there is further information you can provide after the meeting. Include that information on your report back form.
- If your member doesn't give a direct yes or no answer, ask for clarification.
- You should plan to follow-up with your lawmaker 1-2 weeks after your meeting (by phone or email) to ensure their questions are answered and check on their level of support.

**Please note:** this script is a framework for your conversation. Please feel free to elaborate and share your personal cancer story and use information from the fact sheet and talking points.

## What is a group leader? How will I know what group I am in?

For lawmaker meetings, attendees will be divided into groups based on your state senate district. This may include multiple state house districts, depending on how many constituents we have per district. Each group will have an assigned group leader, usually an experienced volunteer or a staff-member. When you arrive at registration, you will receive your group number and schedule. Group numbers will be displayed on table tents, please sit at the corresponding table to find your group leader and your fellow group members. If you need help, please contact Nicole.

## What should I bring with me?

- Water
- A watch/cell phone to keep track of time
- A notebook to take additional notes during lawmaker meetings
- You will need to go through security, so please keep bags small and do not bring anything that would not be permitted in a government building.

## Can we watch a committee hearing or general session?

You may attend committee hearings between meetings. Please refer to the Tennessee General Assembly's website for committee hearing schedules.

To attend general session, you must now have a free ticket. You may reserve this ticket in advance via TN.gov, or by emailing your member. If you need help doing either of these, please reach out to Nicole.
