Cancer doesn't wait.
Teresa can't either.
Fund cancer research.

Teresa Simpson

Mother. Actor. Runner. Survivor. Teresa will need a clinical trial for ovarian cancer once she runs out of treatment options.

By investing in cancer cures, Congress can make a difference for Teresa and millions of other patients, survivors and families.

Fund Research. Find Cures. Fight Cancer.

Research**

50 Years

of federal investments have
played a role in every major
cancer breakthrough.

**Find
Cures**

99%

of all drug approvals
from 2010–2019 are associated
with NIH-funded research.

**Fight
Cancer**

2 Million+

expected to be diagnosed with
cancer this year alone.

Teresa is one of millions of people in America whose lives depend on robust cancer research funding. A three-time cancer survivor, she continues to fight, but she needs Congress to fund breakthroughs that can help her continue her journey.

Congress: Protect cancer research and prevention funding.
