Don't Forget to use the Hashtag #FLFightsCancer all summit long!

Twitter:

- I am at @ACSCAN's #FLFightsCancer Summit & can't wait to share all the progress we have made in the fight against cancer with you, @Repxyz. We have to fight for every Floridian until we end cancer as we know it, for everyone.
- (Hometown's Name) looks forward to working with @RepXYZ & @SenABC. It's important for both chambers to work to increase access to cancer screenings & cancer care across the Sunshine State! #FLFightsCancer
- "We need your voice! Stories change policy and you can join the fight against cancer with me! Sign up to volunteer with ACS CAN Florida at Fightcancer.org! #FLFightsCancer

Facebook:

- I am so excited to be joining cancer fighting advocates from across Florida at the @ACSCAN #FLFightsCancer this weekend in Orlando! We are hearing about the latest progress we are making in Florida and how I can work closer with my lawmakers, @Repxyz & @SenABC to pass laws that will reduce to burden of cancer and increase access to care for all Floridians!
- We're so grateful to have the time for the @ACSCAN #FLFightsCancer Summit this weekend in Orlando. During this time together, I -along with advocates, survivors and caregivers from across Florida – are hearing about the progress that we have made in the fight against cancer at the Statehouse and in DC. I can't wait to share this information with you @Repxyz & @SenABC! It's imperative for the Florida Legislature to work to improve access to cancer screenings & remove barriers to cancer care.
