

How can you reconnect at Summit?

New Ambassadors:

- Meet your Grassroots Manager and introduce yourself (*hint: it's Chakoma, Jasmine or Spencer*)
- Introduce yourself to the State Lead Ambassador Kay Coleman
- Follow ACS CAN on [Facebook](#), [Twitter](#), and [Instagram](#)
- Find a Legislative Ambassador who has been volunteering for 5+ years and ask them their highlight of volunteering experience with ACS CAN
- Find someone who raised over \$500 for Lights of Hope and ask them their favorite strategy for selling bags

Returning Ambassadors:

- Take a selfie (*or group photo*) and post it to social media tagging ACS CAN with a message about Summit. Don't forget to include the hashtag #ACSCANCA
- Share Punita's Biomarker story on social media and tag @xxx thanking her for introducing our 2023 Biomarker Bill #xx and then record your on the [Ambassador Reportback Form](#) (type of action taken select "tagged a lawmaker on social media")
- Introduce yourself to someone new - either a new ambassador (marked with a white first-time ribbon) or someone you don't know!
